

# Artificial Intelligence at WHS

Students are not allowed to submit work generated, in part or in whole, by any Generative AI or other Artificial Intelligence assistants without teacher permission.

Using such tools without permission will be considered a violation of Wolcott's Academic Integrity policy and suspected use will be reported to administration and parents.

Assignments will be designated using the following color system

You have explicit permission to use School AI or approved platforms to

## ***GENERATE CONTENT***

### **You MUST**

- Critically engage with AI
- Follow all directions
- Save your AI chat logs and plan to submit them
- Properly cite the AI use

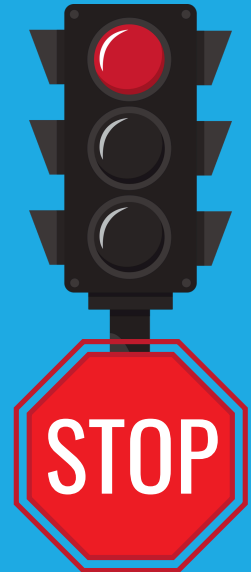

You have explicit permission to use School AI or approved platforms as a

## ***RESOURCE***

### **You MUST**

- Critically engage with AI
- Follow all directions
- Save your AI chat logs and plan to submit them
- Properly cite the AI use

Your teacher has NOT given you permission to use any type of AI.

## ***DO NOT USE***

### **DO NOT:**

- Submit work written, solved, influenced, or informed in any way by GenAI.
- Unless otherwise specified, assume an assignment is red.

# Gen AI at WHS

AI's purpose at WHS is to enhance, not replace human effort in teaching and learning

## AI to Generate Content

### **Imagery**

Creating an image that fits a specific prompt

### **Organization & Planning**

Creating outlines and frameworks

### **Simulation**

Building a tool, beta test, and evaluate reliability

## AI as a Resource

### **Feedback**

Grammar checks, revisions, rubric alignment

### **Personalized Learning**

Extra practice, break-down, rephrase, and simplify concepts

### **Analysis**

Critically evaluate AI Generated content

## *Never Use AI to*

### **Plagiarize**

Submitting work entirely created by AI or using AI to rephrase content without proper citation

### **Misinform**
